50 | states licensed

COMING SOON TO GMA MEMBERS

**Proactive Mental Health Program
Focused On High Utilization.**

- Instant messaging & calls available 24/7
- In-person Capabilities
- iConnectYou app and support portal

As an association dedicated to the well-being of our members, we have made a conscious decision to prioritize the affordability and accessibility of the services we offer. With this in mind, we have formed a new partnership with DaisyHealth to enhance the benefits available to you.

Effective July 1, 2023, members utilizing the **Teladoc** platform will need to complete the enrollment process through DaisyHealth. By doing so, GMA can continue to offer Teladoc services 40-50% below market value. In addition, we have two new programs for prescription medications and mental health coming soon as part of this transition.

REASONS TO USE TELADOC

- Talk to a local doctor anytime, 24/7/365
- \$5.00 per employee per month cost includes all family members – NO co-pay for consultation
- Employees eligible dependents include college students up to age 26
- Prompt treatment, average call back in 8 minutes
- No limit on consults, so take your time
- A network of local doctors who can treat children of any age
- Secure, personal and portable electronic health record (EHR)
- Receive quality care via phone or online video

Detailed instructions on reverse side.

DaisyHealth Enrollment Guide

STEP 1 | GMA (BROKER)

- GMA generates a **Proposal** for the company, indicating the product(s), price and estimated # of employees.
- This sends an **email to your company from Daisy Health**, with the subject: **Please Review New Proposal**.

STEP 2 | MEMBER COMPANY

- Locate email from **Daisy Health** with the subject line: **Please Review New Proposal**
- Email shows the following:
 - Total Subscription: \$X.XX
 - Products included: Teladoc
- Click the **Launch Daisy Health** button.
- You will be asked to **“Please reset the temporary password.”** Create your own password.
- You will be asked for a **verification code**, which Daisy Health will send in a separate email.
- Login to your account and **review the proposal**.
- Click button to **Accept the Proposal**, then proceed to the **Checkout**.
- Record your **payment method** (credit card or bank account).

STEP 2 | EMPLOYEE INTEGRATION

- System will take you to the **Integration** screen.
You may manually enter employees, upload a CSV file, or GMA can securely upload your latest enrollment data for you.
- You will receive an email from **Daisy Health** with the subject: **Subscription details for Teladoc from daisy.health!**
- Please carefully read the step by step guide for **Onboarding the Employees to Teladoc** benefit. *Refer to the Onboarding guide for details on the process and share the link with your team.*

STEP 4 | EMPLOYEE REGISTRATION

NOTE that employees need to wait until their activation date (July 1st) to successfully create their new accounts.

- If email addresses are included in the participant data, employees will receive a **welcome email** with the Onboarding guide to help them set up their new accounts at the time of account activation (July 1st).
- **Participant changes or additions** can be processed by the company's contact(s) or GMA.
