Dear **Employer**,

I am writing to express my interest in employment opportunities within the print industry. I am in the process of moving to the Downtown Columbus area this summer, and would ideally begin working at the beginning of June.

As you will see in my enclosed resume, I have ample experience with printmaking of various natures. I have previously studied Graphic Design and currently study Fine Arts with a concentration in Printmaking. Additionally, I possess excellent communication skills and a strong work ethic. I have a great attitude in all that I do, am hard-working, and approach every situation with a sense of creativity and optimism. I would greatly appreciate the opportunity to enhance my abilities and connect with the community of Columbus through Hopkins Printing.

I can assure you that this interview will be worthwhile. I am more than willing to accommodate your schedule and find availability at your convenience.

Sincerely,

Liv Weidel
