Feb. 22, 2022 (Columbus, Ohio)

Print and tech giant Canon U.S.A. is the latest exhibitor to join Americas Print Show! This cornerstone company joins Kodak, Ricoh, Xeikon, Screen America and a growing list of innovators in print and publishing that are quickly locking up premium booth space.

“Industry engagement for the first annual Americas Print Show has been incredible. We are thrilled to have the biggest names in print knocking at our door,” said Jim Cunningham, President of Americas Print Show. “Even better, early attendee registrations indicate strong interest in getting back to events and business as usual. 2022 will be a pivotal year for the print industry!”

Centrally located in America’s heartland, APS22 is a three-day industry event with impact from coast to coast and beyond! We’re focused on building connections and growth in the print and graphics community throughout the U.S. and North America. We’re focused on what is important to our exhibitors: growing your business and your valuable network.

At APS22, our goal is to connect 5,000 businesses with 10,000 A-list customers seeking your services, products, equipment, and technology. Together with our extensive collection of [media partners and industry associations](#), we plan to help you far exceed your sales projections over the three APS22 days.

To date, recent **exhibitors** include:
